It was proposed by the President, in the Chair, that the next meeting be held in the form of a dinner with the XYL's, YL's etc. To investigate a suitable place at suitable prices, Herman Dalman - VE3DJD will act as chairman of a committee composed of George Lord - VE3BYG, Peter Boyle - VE3DPJ and Walter Einarson - VE3ECB. It was stated that the Fort William Flying Club charge \$1.25 per head for meals and \$16.00 for the use of the Hall. The date for this Dinner Meeting will also be decided upon by the Committee.

A discussion of the forthcoming Field Day was held - most members taking part. Bill Roberts - VE3ARN was appointed as chairman of a Field Day Committee to investigate location, equipment, power supply etc.

The question of Club dues was raised. This was settled to remain unchanged - i.e., \$1.00 per annum, until a Club House is established. If, as and when this becomes a fact, the dues will, of necessity, be increased to cover additional expenses of light and heat (beer), etc. A report on the availability of the Club House was made by Frank Start - VE3AJ, who, acting on rumours, said this might be in July at the earliest.

The meeting was adjourned at 9:45 pm on motion of Bob Adams - VE3ASL. Seconded by Herman Dalman - VE3DJD.

Signed:

Pat O'Shea - VE3FW
President

Frank Start - VE3AJ
